LITTLE SHOP OF HORRORS

Auditions have now taken place and we are really looking forward to getting this production underway. The cast will come together for the 4 Sundays in July to learn the vocals. From there, we head into the intense week where the show will be put together in just 3 (and a bit) days.

As we head towards the production, there are several ways you can support us even if you or your child is not able to participate this time around.

Firstly and most importantly, if you are in the area from 4th – 6th August then please buy a ticket to come and support. If you are away, then please help us to share the production with family and friends etc. Tickets are now on sale and available from The Point website.

Secondly, we are on the lookout for programme advertisers etc.

Finally, we will be holding a raffle at each performance, so if you have anything lying around at home that could make a good prize, we will happily take it from you. Please drop these into The Arch.

We are extremely proud that September 2022 marks the start of our 30th Year. What started out as a group of people coming together to put on a one-off production and here we are with over 400 members on our books.

There will be a number of events taking place throughout the year for our young people and families so please keep an eye out for further information.

CPYT has always been proud of its family atmosphere and this is something that we want to try and really bring back to the fore. Whilst our primary aim is to provide performance opportunities for young people, our productions and events rely on the support of our parents, friends and families so please come along and get involved. We would love to see you.

www.cpyt.co.uk

Our website continues to be the hub of everything we do and this is the best place to keep up to date with what is going on in the world of CPYT.

Over the past few months, we have welcomed a huge number of new families and we completely understand that it can be a little overwhelming as we are a very active organisation with lots going on all the time.

If you are ever unsure or have a question, please reach out using any of the communication methods and we will get back to you as soon as we possibly can.

Business Team

Our Business Team have made a huge difference to the organisation since their formation at the beginning of 2021. Recently, several parents have decided that they are no longer able to commit and so the group has shrunk in size.

It is our hope that this team will consist of a group of parents and friends of CPYT together with a couple of members from the Management Committee - think of it like a school PTA.

The remit of this team are things like fundraising and social events, seeking programme adverts and sponsorship. By joining you are not committing to having the entire workload put upon you but to help oversee and ensure that tasks are delegated to others.

If this is something you may be interested in, please contact Mike in the first instance.
