WE GO TOGETHER

We are really excited to announce that our Juniors and Academy groups will be combining to present an evening of entertainment on Saturday 26th March 2022.

These groups have worked so hard since returning to The Arch and we are really excited to bring this production to the stage.

Saturday 26th March 2022

The Arch

2.30pm and 7.30pm

Tickets available from

SHREK THE MUSICAL REVIEW

And so at the time of writing this newsletter, we have literally just finished our week long run at The Point. It was a remarkable success and whilst at this stage we are not in a position to comment on the financial outcome of the production - having 6 full houses puts us in the best possible position to break even at the very least.

I have to give a mention to the 51 members of the cast who have worked tirelessly under challenging circumstances since September 2021. They have been an absolute joy to work with and made my directorial debut an experience I will remember for many years to come.

My thanks also go to every member of the support team. Without you, the production would not happen and I will be forever grateful for the time you gave.

I am truly humbled to have had the opportunity to bring Shrek the Musical to the stage and very much look forward to getting started on Little Shop of Horrors.

In recent months, we have been working hard to keep our website as up to date as we possibly can and ensure that it is continually updated.

Please take the time to have a look through and let us know if there is anything missing that you think would benefit what we do.

FRYERN FUNTASIA

We are delighted that this event is once again returning to the Chandler's Ford area on Monday 2nd May 2022.

CPYT will have a stall at the event throughout the day and are delighted to have been offered a slot in the Main Arena.

There will be a rehearsal for this event on Sunday 24th April from 2pm – 5pm at The Arch.

Exact details regarding content and timings are being worked on and these will be confirmed as soon as possible but please get the dates in your diary.

September 2022 marks the start of our 30th Anniversary year and we are looking to make it a special one.

We have some ideas already but we are open to any other ideas. Please feel free to speak to a member of our Business Team or Management Committee if you have any ideas or wish to be a part of planning and organising this special year.

ANNUAL GENERAL MEETING

We can confirm that our Annual General Meeting will take place at The Arch on Thursday 12th May 2022 starting at 7.30pm

Please get the date in your diary as we need as many people present as possible in order to meet the Charity Commission regulations.

This is an opportunity to you to find out about how things have gone over the past year and put any questions / comments you may have to the Management Committee.

AWARDS EVENING

We are delighted to announce that we will be hosting an awards evening in September 2022.

This event will take place at a local venue (to be confirmed) and will be an opportunity to dust off those suits and dresses for a formal evening.

We are still working on the format, but there will be a number of awards presented, some performance opportunities as well as a buffet meal.

More details to follow soon but we are very excited about this event and planning is already underway.

Business Team

Our Business Team have made a huge difference to the organisation since their formation at the beginning of 2021. There is always room for this team to grow and spread the load somewhat.

It is our hope that this team will consist of a group of parents and friends of CPYT together with a couple of members from the Management Committee - think of it like a school PTA.

The remit of this team are things like fundraising and social events, seeking programme adverts and sponsorship. By joining you are not committing to having the entire workload put upon you but to help oversee and ensure that tasks are delegated to others.

If this is something you may be interested in, please contact Mike in the first instance.
